and

Case 20-RC-067144

HOME DEPOT ASSOCIATES UNION #1
Petitioner

ORDER

Petitioner's Request for Review of the Regional Director's Decision and Direction of Election is denied as it raises no substantial issues warranting review. We agree with the Regional Director's finding that the petitioned-for unit is not appropriate, and we note that Petitioner's Request for Review does not seek any alternative unit. In those circumstances, we find it unnecessary to pass on the Regional Director's further finding that only a wall-to-wall unit is appropriate.
